

DISTRICT FIRE CHIEF

(Promotional Class)

DISTINGUISHING FEATURES OF THE CLASS

This class encompasses highly responsible supervisory positions in the fire suppression division. Employees of this class are responsible for supervising all employees on an assigned shift, coordinating work schedules and daily activity to see that all stations are manned, for the training of subordinate personnel, and for administrative duties related to the assigned shift. The employee of this class works to insure that notes and regulations are being followed and that district policy is being carried out. The district fire chief also controls fire ground operations until relieved by a superior officer. Employees of this class work with a high degree of independence, receiving general instruction only from the Chief or Deputy Fire Chief. This class ranks immediately below that of Chief or Deputy Fire Chief.

EXAMPLES OF WORK

Examples listed below are illustrative only. They are not intended to include all duties which may be assigned, neither are they intended to exclude other duties which may be logical assignments to this class.
